

Coming to Library Dist. #2 of Linn County...La Cygne on Wednesday, Feb. 7th at 5 PM...Remembering Laura Ingalls Wilder...presented by Stephanie Nelson. Please register online at www.lacygnelibrary.org or by calling 913-757-2151.

Many of you grew up reading the books or having them read to you. Still others grew up watching the TV series or the movies. Some got their first taste of Laura through the easy books. Some like Stephanie have toured the home sites, visited with other Laura fans, and relived the stories by sharing with children in our classrooms or libraries. Join us to learn more.

We will have the traveling panels on display and Stephanie will be bringing items from her “Laura” collection to share. Come listen to her stories and share yours. The evening will start with a meal featuring some items found in Laura’s books (you must RSVP by Feb. 1st to join us for the meal). Then Stephanie will share stories about her Laura Adventures. Following her talk, we will make a couple of “Laura themed crafts” and have time to look at the panels. Plan to Join us for our Laura Celebration!
